Sir:

Applicant expresses appreciation for the courtesies extended by Examiner Nguyen during telephone interviews with Applicant's representative Arnold Turk during several telephone calls including telephone calls on December 8, 2010 and January 4, 2011.

During the telephone calls, Applicant's representative noted that the listing of claims on the Notice of Allowability is incorrect because claim 34 has been canceled. Moreover, it was noted that the Information Disclosure Statement form filed March 24, 2009 has not been completely initialed and an initialed copy of the Information Disclosure Statement form filed December 18, 2007 has not been forwarded even though all of the documents cited therein have been confirmed as considered in the record.

The Examiner indicated that a Supplemental Notice of Allowability will be mailed correctly indicating the allowed claims and including completely initialed copies of the two forms.

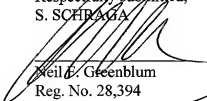

Applicant therefore awaits receipt of the Supplemental Notice of Allowability.

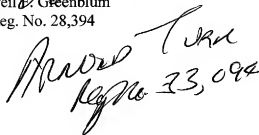

If any fee is required for consideration of this paper, Applicants hereby authorize that any required fee be charged to Deposit Account No. 19-0089.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.
